

# Safety is NO ACCIDENT.

There is **NO** substitute or equal for the most comprehensive fall protection mobile cart available on the market today.

The **LES RAPTOR Tri-Rex™** mobile anchor cart allows for mobile and versatile fall protection for 3 person fall arrest and 2 person fall restraint.

The streamlined design incorporates a three-point front axle locking mechanism and is the only fall arrest cart with a locking engagement arm that ensures your anchor point to be locked into its deepest point of penetration during a fall. **(INCLUDES CONCRETE & LIGHTWEIGHT SUBSTRATE, EPDM, TPO, PVC, BUILT-UP and ISO.)** The **Tri-Rex™** meets and exceeds OSHA 1926.502(D).

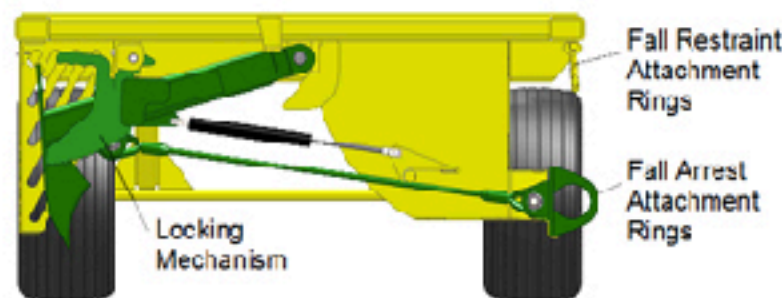

## Keep your workers safe and mobile with the Tri-Rex.
